# Two Sterling Lodges Available to Wintersettters

A few years ago, Winterset Ski Club and Sterling Ski Club of Stratford became affiliated. This means you may meet Sterling folks at some of our events, and you can sign up and use either of their two Vermont lodges.

## NEW MOUNT SNOW “WEST DOVER”

**LODGE** is .4 mile from the Carinthia Mt Snow Lodge and 1.4 miles from the main Mt Snow Lodge. It is on the Winter Weekend/Holiday Moover Shuttle, so you don't even have to get in your car to go to the mountain. It will comfortably sleep up to 30, with 11 bedrooms, 5 (soon to be 6) full bathrooms, and 2 kitchens. It features full equipped kitchens, ample seating and a warm cozy fireplace. The Lodge itself has all the conveniences of modern living including Wireless Internet Service and many charging stations for your electronic devices. Nightly rates are \$35 per person per night. Two people booking in a 2-person room would get that room. Contact the lodge reservationists at: [mtsnowbooking@sterlingskiclub.org](mailto:mtsnowbooking@sterlingskiclub.org)

### Mount Snow Blackout Dates:

12/25/15 - 1/2/16

The slopes are only 50 feet from the Glen Ellen Lodge and can be reached via a trail through the woods for true ski in/ski out access. Nightly rates are \$35 per person per night. February 5 -13th 2016

Join Sterling Ski Club for 7 nights at the wonderful Hotel Alpen Corona in Val di Fassa, Italy.

### Departing Feb 5, 2016 from JFK in New York

Val di Fassa was basically a quiet resort until this year when a high speed lift was installed between the city and the Sella Ronda. The hotel has an indoor pool, hot tub, sauna, and complete spa services. It is 200 meters from the new lift and also has shuttle bus to the local area lifts.

### The trip includes:

- Round Trip Airfare from JFK to Milan Italy on Emirates Airlines which allows for 2 bags up to 50 lbs per person – take your skis.
- Transfers from Milan to Val di Fassa on private coach
- Seven nights at the four star hotel
- Breakfast and dinner each day
- Total price for the basic trip \$1699 per person
- Lift tickets are approximately \$45 per day (E230 5 day adult in 2015).

### Travel Options

Everyone must leave JFK on the same flight.

However, there is an option on the return:

The \$1699 is based on a return on Saturday Feb 13th.

There is an optional 2 day excursion to Lake Como, Italy at the Metropole Suisse Hotel for an additional \$259 per person including breakfast and a walking tour of Como. See the beautiful towns of Bellagio, Cernobbio and Como and the enchantment of the lake region of Italy.

Join us for the fantastic views in the Dolomite Super Ski area – with over 1200km of skiing with 450 lifts. Val di Fassa is the next valley after the Marmolada Glacier which has skiing almost all year long – so even in a bad snow year, there will be plenty of skiing and boarding on the glacier. The area has skiing and boarding for all abilities from beginner to expert and guided trips available right from the hotel for those looking for the extreme challenge.

Price is based on at least 25 people and is subject to reduction or increase based on conversion of Euro/Dollar.

# Volunteers Keep Winterset Running

**T**hank you to all of the volunteers who have stepped up to helping our social events run so smoothly.

With your participation, Winterset is able to hold a number of enjoyable events throughout the year that foster camaraderie and strong skiing relationships. Sure, Winterset is all about skiing, but we are also all about having fun and we would like to publically thank all of those who serve on the board and make our trips and social events successful:

Remember, there are still plenty of opportunities to volunteer and help your club. Volunteering for at least one event is required to remain a member in good standing and it's fun! We only need a few hours of your time each year to ensure that no one has to do all the heavy lifting. If you've already signed up for a spring event, the event chairperson will let you know how you can help. If you have not yet volunteered, contact [caroleando@sbcglobal.net](mailto:caroleando@sbcglobal.net) who will match you up with an upcoming opportunity.

## BULK TICKET Program 2015-2016

### There are BIG Changes in the Okemo Bulk Ticket Program

Okemo has converted its voucher system to radio frequency ID lift access cards. These are direct-to-lift, live tickets. This means the vouchers will look different, and because they are **LIVE TICKETS**, users do not have to exchange vouchers at the ticket windows.

#### Here are the important things for you need to know:

- **Carry ONLY ONE TICKET** in your pocket/wallet/jacket when you ski. If you carry more than one, ALL of the tickets will be scanned and thereby **INVALIDATED** when you try to use them another day. In addition, no other RFID cards from other resorts may be carried concurrently.
- **All skiers will be scanned at lift entry, and skier ID and photo stored in the scanner.**
- At the end of the ski day, **TEAR UP AND THROW OUT THE USED TICKET**. Provided access cards are single use only and may not be reloaded.
- Okemo will continue to accept a 20% return at the end of the season. **HOWEVER; OKEMO will deduct \$1 for every ticket returned from the credit due for the next ski season.** Therefore, you must order carefully – **DO NOT over-order**. Okemo will allow the CSC to place additional orders (of 25 or more each time) throughout the season, so you will always be able to purchase tickets at the CSC discount rate.
- Tickets have an ID number. IT IS MANDATORY THAT EACH BULK TICKET COORDINATOR FOR EVERY CLUB RECORD THE ID NUMBER AND THE CLUB MEMBER'S NAME. If there are any problems or abuses of the program, both Okemo and the CSC can directly trace it back to the club member. If this is NOT done and there are problems, the entire club's tickets can be invalidated at the discretion of Okemo. **These tickets CANNOT be used by anyone other than the individual club member. They cannot be sold, given away to friends, or used as perks in club lodges or private homes. Tickets are a member-only privilege.**
- Credits from the return of last season's vouchers will be applied to the purchase of this season's tickets, as always. You will place your Okemo order just as you have done in the past. The only difference for the user is that they are LIVE tickets, scanned at lift entry, and that every unused ticket returned will be charged \$1 per ticket toward the credit for next season.

Last season there were multiple serious abuses of the ticket program at Okemo, and at that time Okemo warned the CSC clubs that Okemo might opt to discontinue this program. Okemo management expects that this new ticketing system will eliminated the abuse they experienced.
